7v7 Build out line Rules:

When the goalkeeper has the ball, either during play (from the opponent) or from a goal kick, the opposing team must move behind the build out line until the ball is put into play. Once the opposing team is behind the build out line, the goalkeeper can pass, throw or roll the ball into play (punting is not allowed). After the ball is put into play by the goalkeeper, the opposing team can cross the build out line and play resumes as normal. If a goalkeeper punts the ball, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the punt occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred.

Head Ball Rule:

Please note that U11 is listed in the U.S. Soccer Concussion Initiative document because U11 players can be 10 years old at the beginning of the season. Therefore because of the concerns for the safety of younger players, beyond the limitations of the laws of the game, this event will follow the new rules not allow players ages 10 (U11 teams) and below to head the ball during games. "When a player deliberately heads the ball in a game, an indirect free kick (IFK) should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If a player does not deliberately head the ball, then play should continue."

Start of Game:

Referees will flip a coin with Team Captains to determine direction and which team starts with the ball.

Jersey Color Conflicts:

In the event two competing teams have like colors jerseys as their primary jersey, the team listed first on the schedule shall be considered the home team and must change to an alternate jersey color. Referees will make final decision on what they considered to be like colors.

Determining Group Winners:

Division winners in the case of multiple divisions will be determined on a point basis.
Three (3) points awarded for a win.
One (1) points awarded for a tie

Zero (0) points awarded for a loss

Tiebreakers for a Group Play:

In the event of ties in points standing, for wildcards, group or division standings in the case of multiple divisions, the following tie

breakers will be used to determine final group or division standings:

1. Head to head competition between the teams that are tied (this criteria will not apply if more than 2 teams are tied).
2. Goal Differential max of (6) per game. (Goals for minus goals against)
3. Team with the most wins
4. Most Goals scored max of (4) per game.
5. Penalty kick elimination (F.I.F.A.)

- If more than 2 teams are tied, the tie breaker sequence will be followed starting at #2 until a team is eliminated. The remaining teams will restart the sequence until tie is broken.

- If 3 teams or more are tied after tie breaker sequence, FIFA kicks will be taken. A blind draw will determine the order in which the teams kick. A coin toss will decide the order of the kicks.

Tiebreakers for Quarter-Final, Semi-Final & Final Games:

1. Two five minute overtime periods (Golden Goal)
2. Penalty kick elimination (F.I.F.A)

TIE BREAKER-PENALTY KICKS

In the event that penalty kicks must be used to determine a winner in the preliminary or final rounds the format will be as follows:

PROCEDURE: Penalty Kicks will be taken in accordance with the Laws of the Game.

ELIGIBLE PLAYERS: Only players on the field at the end of the match are eligible to participate.

1. Each team will select five (5) players to kick.
2. Teams will alternate kicks – First team to kick will be determined by the referee’s coin flip.
3. If the score remains tied after five (5) kicks, teams will alternate kicks until a winner is determined.
4. All eligible players must kick before any eligible player can repeat.

Red Cards:

Any red card received will result in a one-game suspension for the next tournament game. Any red cards given for fighting will result in a suspension for the remainder of the tournament. All red cards will be reported to both the Illinois Youth Soccer and the player’s/coach home state. If a coach is given a red card the team must be able to supply a carded coach from the club immediately. If they are unable to produce a coach the team will forfeit the match and be given zero points
